

# Factory fit

---

## **What to bring to your factory fit:**

- You current bike or your bikes measurements
- Current pedals, and saddle, if unusual (Please ask if unsure)
- Cycling shoes
- Cycling kit (Knicks and jersey)

Further information regarding bike measurements can be found under “Third parting fitting”, you can use the positional data diagram to take measurements of your current bike

## **Your time with us:**

- Baum factory tour - 30min
- Bike fit - 90min
- Frame and paint scheme design - 60min
- Parts, price and sign off - 30min

For further information regarding our paint and finish options for you bike, please refer to the Finishing section of the Baum web site.

We'll be there to guide you through all of the small choices and help to lock in the details of your dream bike by the end of your visit
